Dear Mr Bond

Notice to produce information and documents given pursuant to section 70-5 of the ACNC Act

I refer to a recent telephone discussion between yourself and Jessica Horey of our office regarding a request for information about a charity listed on the Register of Environmental Organisations.

As requested by your office, we have enclosed a notice issued pursuant to section 70-5 of the *Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act)* which requires you to produce documents to my office in relation to the nominated entity.

As you may be aware, the Australian Charities and Not-for-profits Commission (ACNC) is the national charities regulator. The ACNC has a range of functions, including the ability to monitor whether registered charities are complying with the ACNC Act.

The documents as required in the notice are for determining whether the listed charity continues to meet the requirements for registration as a charity under the ACNC Act.

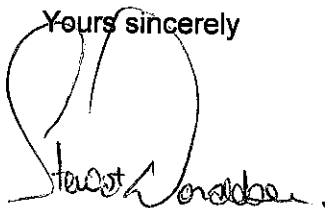

If you have any questions about the notice, you should contact Greg Hardiman on or compliance@acnc.gov.au as soon as possible.

Irrelevant
material

In very limited circumstances, documents you give us may be shared with other parties. Further details can be found in the ACNC's Information Handling Policy and Privacy Policy, which I have attached to this letter.

Yours sincerely

Stewart Donaldson

Director Compliance
