Dear Ms Garzoli

I refer to a recent telephone discussion between yourself and Greg Hardiman of our office regarding information about [redacted] **Secrecy**

As requested, we have enclosed a notice issued pursuant to section 70-5 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) which requires you to give documents to us.

As you may be aware, the Australian Charities and Not-for-profits Commission (ACNC) is the national charities regulator. The ACNC has a range of functions, including the ability to monitor whether registered charities are complying with the ACNC Act.

The ACNC is currently assessing whether [redacted] **Secrecy** continues to meet the requirements for registration as a charity under the ACNC Act. As a new regulator, the ACNC does not yet have some of the information required for this assessment. I am aware that, as the [redacted] **Secrecy** listed on the Register of Environmental Organisations, it is required to provide detailed statistical and operational reports to your Department on an annual basis. This information would be valuable to our assessment of [redacted] **Secrecy**. Accordingly, the documents as required in the notice are for determining whether [redacted] **Secrecy** **Secrecy** continues to meet the requirements for registration as a charity under the ACNC Act.

I understand that there have been some discussions with your office about providing relevant documents to us. The attached notice has been drafted to reflect this.

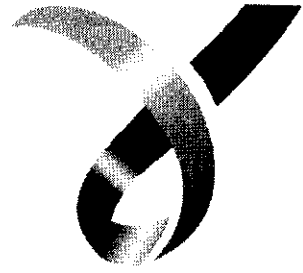

If you have any questions about the notice, you should contact [redacted] **Irrelevant material** or [redacted] **Irrelevant material** as soon as possible.

In very limited circumstances, documents you give us may be shared with other parties. Further details can be found in the ACNC's Information Handling Policy and Privacy Policy, which I have attached to this letter.

Yours sincerely
